

THE DIRECTOR OF
CENTRAL INTELLIGENCE

Security Evaluation Office

Mr. D. Barry Kelly
Senior Director for Intelligence
Programs
National Security Council
300 OEOB

Dear Barry:

Your offer to have me brief Colin Powell and others on the NSC on my new organization is appreciated. Please call me on 482-2946 so we can work out the details.

Also, thank you for providing us a copy of the John Lewis report on his trip to Eastern Europe. When John has time, I think it would be fruitful for us to have an informal chat.
